To Whom it May Concern,

Please accept this letter of recommendation for Sunata Signs.

It with pleasure and confidence that I share the below info and comments on the service they provide to DHQ and previously Famous Brands.

Sunata Signs is one of our approved and preferred signage contractors for aprox 15 years running, without any suspension or Procurement interrogation.

Sunata Signs supplies signage for all the below franchise brands, including:

- Wimpy
- Steers
- Turn 'n Tender
- Fishaways
- Milky Lane
- Debonairs Pizza
- Frozen for You
- Lupa Osteria

For all new signage design and development, Sunata Signs is our preferred resource due to their appropriate design solutions and cost effective solutions with assist us with roll out. Their ability to assist us in sometimes unrealistic timing from our side is always appreciated and shows their commitment to our clients and the brands we work on.

One of the most valuable qualities of Sunata Signs is their “no compromise on quality attitude” as well as the confidence that they never deviate from Brand specifications.

I would highly recommend working with Sunata Signs. You would just need to work with them once to experience world class service, and a true partner in your business. They understand what it takes to maintain a successful relationship with their customers. Many of our franchise partners have used Sunata Signs for every restaurant revamp, which says a lot about the company and the quality of their signage.

If you would like to discuss their services further, please feel free to contact me directly.

Thanks,

Livia Coetzee
