RE: Sunata Signs

To whom it may concern

This letter serves to confirm that Sunata Signs is an approved signage manufacturer and supplier to Famous Brands PTY Ltd.

Sunata Signs have carried out projects across the Famous Brands brand portfolio and not only on a national level but beyond the South African borders over the last 18 years.

Sunata signs have been instrumental with the successful research & development of specifications with their quality of workmanship far exceeding any expectation. They received a supplier of the year nomination in 2017 and I would highly recommend them, as they are specialists in the signage industry.

Please feel free to contact me should you require any further information.
